

Make the Break

Join the Achieve3000 Literacy
WINTER HOLIDAY CONTEST

Keep reading on Achieve3000 Literacy during your holiday break, and you could win a free pair of wireless headphones!

When you use Achieve3000 Literacy over the holidays, you can make the break and win! Achieve3000 will be on the lookout for kids who complete at least five lessons between December 18, 2021 and January 2, 2022, and will enter them in statewide drawings for a chance to win Skullcandy wireless in-ear headphones.

One great contest, 50+ lucky winners!

A winner will be chosen from each state and select international locations. That means Achieve3000 will be holding 50+ drawings for kids who meet the 5-activity goal during their holiday break. With so many prizes, you've got a really good chance of winning!

Here's how it works:

- Complete five lessons between December 18, 2021 and January 2, 2022 with a first-try activity score of 75% or above. Your name will be automatically entered into your state's drawing.
- Double your chances! If you complete 10 lessons or more with a first-try activity score of 75% or above during the contest timeframe, your name will be entered twice!
- After the contest ends, drawings will be held, and a winner chosen from each state. Winners will be contacted so they can claim their prizes.

PLEASE NOTE: Students need to complete five or more unique lessons, and they need to do their work independently.
