Student Notes

▼ Take Notes

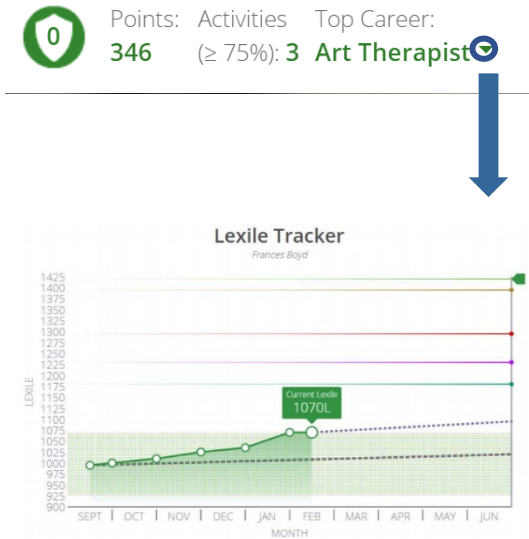

What have scientists found on the ocean floor? What kind of equipment are they using for their research? Write your ideas here. You can use these notes later, when you respond to the Thought Question.

B *I* U Copy ...

Submit

Notes and highlights will carry over and be accessible throughout all steps of the lesson.

Lexile Tracker

You can find the Lexile Tracker by clicking the Motivation Menu in the top navigation where Points, Achievements, and Top Career are highlighted.
