Turn classroom and remote instruction into connected learning with our research-based, standards-aligned digital solutions.

Achieve3000 Literacy™

Literacy Acceleration
(Grades 2 - 12)

NEW FOR 2021-22: WORDSTUDIO
Foundational Literacy Lessons for Grades 6-12

WordStudio is an intervention tool designed to help below-grade-level secondary readers strengthen their foundational literacy skills.

Key features include:

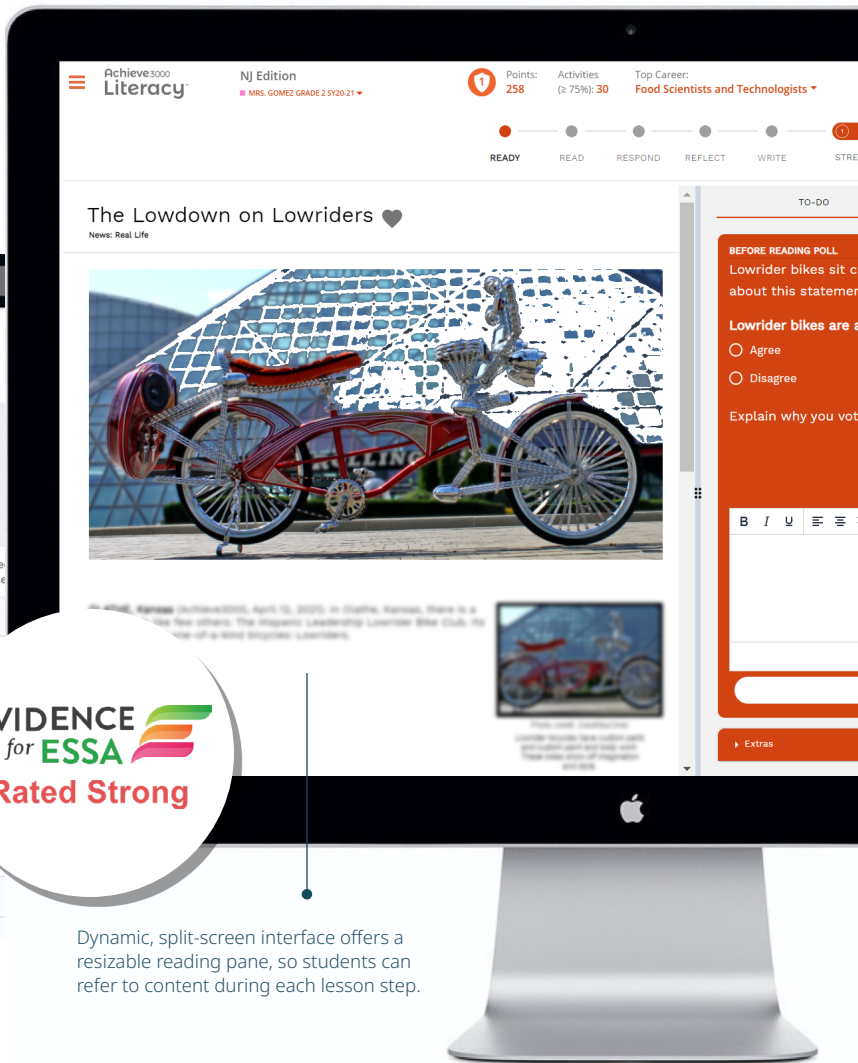

- Teacher-led instructional video
- Focus on essential reading skills
- Guided and independent practice

Using a model based on differentiated content and instruction for ELA, science, and social studies, Achieve3000 Literacy is proven to drive literacy growth, and ensures all students, especially the most vulnerable, continue to learn. In fact, we are so committed to providing accelerated literacy growth, **we guarantee 2X expected reading gains in a single school year**, or the following year is on us!

- Engaging lesson experience keeps students on track
- In large national studies, Achieve3000 is proven to **accelerate literacy growth by 3X** what is expected
- Students can explore timely, culturally relevant fiction, nonfiction, and poetry
- Offers NWEA MAP® Integration, so educators can create MAP Informed Learning Paths

Class/Student	Activities Completed	Avg Score	Score per Activity	Pre-Test Lexile	Current Lexile	Expected Current Lexile
English Period 5	19	76		350	525	400
Alvarez, Zoey	19	68		350	510	
Byrd, Kay	20	65		365	410	
Lambert, Gwendolyn	20	63		405	435	
Ortiz, Pedro	19	82		350	510	
Pena, Justin	18	82		380	470	
Ramirez, Mabel	21	71		410	520	495
Ross, Marvin	17	64		370	425	445
Chavez, Alexa	20	68		375	435	440

Easy-to-read performance, usage, and forecasting reports help educators track student progress.

EVIDENCE for ESSA
Rated Strong

Dynamic, split-screen interface offers a resizable reading pane, so students can refer to content during each lesson step.

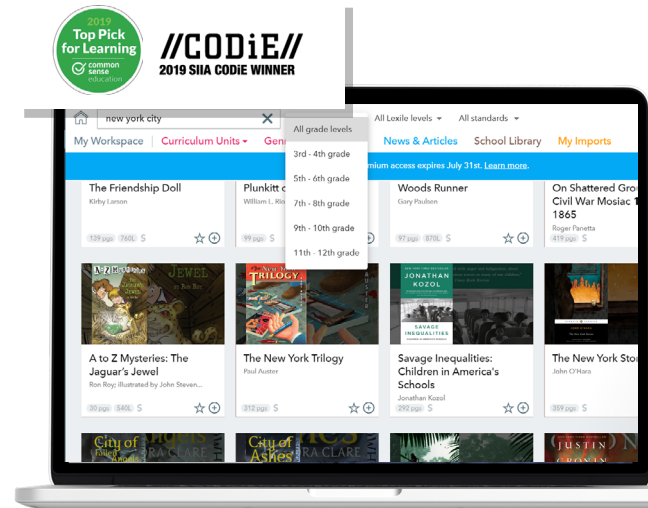

Actively Learn

Curriculum Platform
(Grades 3 - 12)

Actively Learn provides equitable access to research-based, standards-aligned digital instruction where teachers and students can engage with and analyze a wide variety of content, including full-length novels, articles, videos, science simulations, textbook sections, and more for deeper learning in science, social studies, and ELA.

- Culturally responsive content promotes equity and engagement
- Summative performance tasks in ELA and social studies to cover listening, speaking, writing, and research skills
- Assessments to evaluate historical thinking skills in social studies and NGSS performance expectations in science

Achieve3000 Math™

Math Acceleration
(Grades K - 12)

Achieve3000 Math is the perfect tool for developing math fluency and accelerating students' mastery of skills across grades, standards, and topics. It fills knowledge gaps and builds confidence with more than 25,000 scaffolded, standards-aligned problems. It's like having a tutor for every student!

- Students automatically receive content targeted to their needs
- Thousands of instructional videos introduce students to new concepts
- Data tools help educators find skills gaps and tailor instruction

Proven to boost standardized test scores in a [3rd Party National Efficacy Study](#)

PROVEN EFFECTIVE!

Smarty Ants® Smarty Ants Español®

Foundational Literacy in English & Spanish
(PreK - Grade 2)

Smarty Ants is a fun, multisensory foundational literacy platform designed to engage young learners and turn them into independent readers. It combines foundational skills instruction, independent practice, and start-of-year and end-of-year assessments in a single program with robust teacher supports.

- Over 90 unique learning pathways to guide your emergent readers
- Adaptive logic that aligns instruction to each student's pace and skills
- Data Center gives administrators and educators access to key metrics

Educators can maximize the power of Achieve3000 with dynamic, virtual professional learning services customized for your schools. Inquire for details and pricing information.

Educators Love Achieve3000...

Achieve3000 Literacy gives us the ability to address equity regardless of the students' ability levels.

Dr. Tony Robinson,
Superintendent, Sikeston R-6 Schools, MO

Actively Learn has revolutionized our classrooms. The kids have developed stronger reading comprehension skills, and it has helped them be active learners.

Christy Friedrich,
High School Teacher, Goodyear, AZ

All of our students will benefit from Achieve3000 Math. And it allows teachers to know in real time where progress is being made against state standards.

Dr. Charlene Marchese,
Supervisor of Mathematics,
Freehold Township School District, NJ

Smarty Ants has really helped my kids to excel. They love it, and I love it too!

Olwyn Watson,
Kindergarten Teacher, Shore Elementary Magnet School, FL

About Achieve3000

Achieve3000 delivers a comprehensive suite of digital solutions that significantly accelerate and deepen learning in literacy, math, science, social studies, and ELA. Using personalized and differentiated solutions, Achieve3000 enables educators to help all students achieve accelerated growth. For more than five million students in grades PreK-12, Achieve3000 improves high-stakes test performance and drives college and career readiness.
