Summer Intensive

A proven, customizable solution
for students who need intervention
as a result of the COVID-19 slide
and other learning challenges

This year, Summer Intensive offers:

- Engaging, timely new lessons
- Customizable lesson collections
- Ability to pre-test and post-test
- Real-time data and reporting
- Specialized teacher materials
- Flexible professional learning

This Summer is Catch-Up Time with *Summer Intensive*

School closures and the shift to remote and hybrid learning have caused many students to fall behind. Fortunately, Achieve3000's rapid intervention solution, *Summer Intensive*, can help. Drawing on the proven efficacy of Achieve3000 Literacy, it engages students, empowers educators, and dramatically accelerates reading gains.

Pre-Test, Post-Test, and Embedded Assessments

An initial Lexile assessment places students in the program and provides educators with key data; ongoing embedded assessments monitor student performance; a post-test measures progress.

Access to Full Lesson Library, PLUS New Content Weekly

Summer Intensive gives students access to Achieve3000 Literacy's entire collection of interesting, timely, culturally relevant fiction and nonfiction content. Plus, new content will be added weekly.

Students Achieved as Much as 6 Months Growth in 5 Weeks!

One of America's largest urban districts used *Summer Intensive* to target at-risk students. The results were eye-opening.

Read about these results in the *Summer Intensive Impact Report*.

RED BANK, New Jersey (Achieve3000, June 10, 2020). Kids and teens have great ideas! Some work on big problems. They invent things.

Protecting Patients
Macinley Butson is from Australia. At 16, she made an invention. It helps people who have cancer.
Doctors use radiation therapy. It can kill the cancer. But when they make plans feel sick.
Macinley invented a shield. People wear it during

RED BANK, Nueva Jersey (Achieve3000, 10 de junio de 2020). ¿Qué tienen en común las puestas heladas, los trampolines, las motos de nieve y el braille, ya sabes, el alfabeto que usan las personas ciegas? ¡Son todos inventos que fueron ideados por niños o adolescentes! A los jóvenes se les ocurren grandes ideas a diario. Y a menudo, usan su imaginación para ayudar a resolver problemas importantes.

Proteger a los pacientes

Integrated Learning Supports

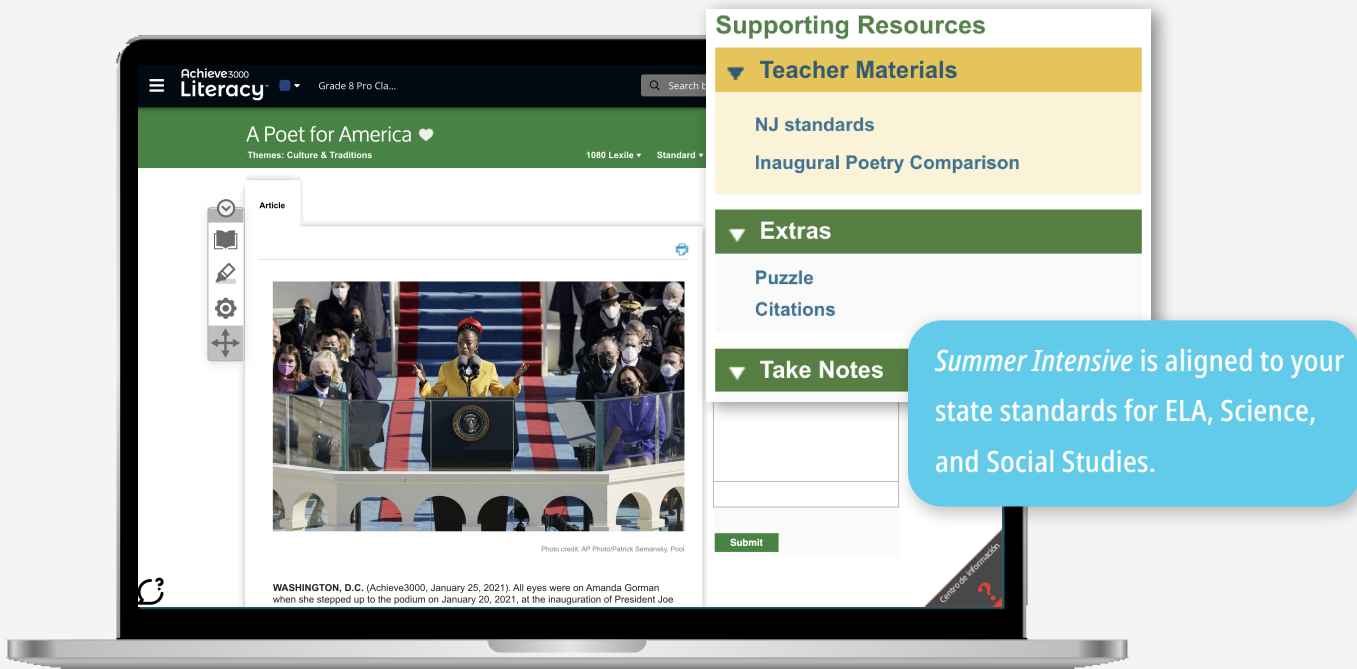

Targeted instructional supports and scaffolds for struggling readers and English learners meet students at their level and help them develop the knowledge and skills they need to continue to grow.

Differentiated in English and Spanish

Students will have access to more than 15,000 articles, each of which is differentiated to 12 Lexile levels in English and eight in Spanish.

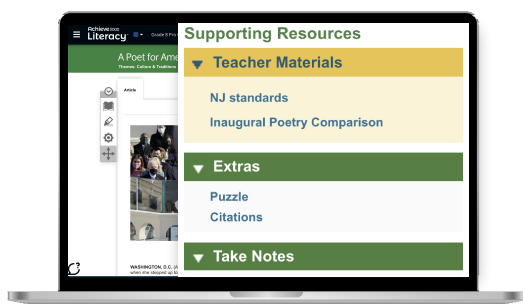

Empower Educators with Robust Resources

Summer Intensive is designed to provide educators with everything they need to support students who have experienced significant learning loss or who require reading intervention, including a special Teacher's Edition, pacing plans, and live in-person or virtual professional learning services.

Teacher's Edition Offers Real-Time Insight

With the *Summer Intensive* Teacher's Edition, educators can monitor student performance in real time. They can also access powerful reporting tools, including a comprehensive skills report.

Easy-to-Access Instructional Resources

Summer Intensive offers built-in, point-of-use instructional resources, materials, and recommendations for every lesson to support daily teacher-directed instruction.

Flexible Professional Learning Services

Achieve3000 offers a wide variety of options when it comes to professional learning services, including live on-site training, live virtual training, as well as customized hybrid models.

Support School Leaders and Families

At Achieve3000, we understand that any successful intervention program requires the participation and approval of school leaders and families. That is especially true of a summer program, which is why we have built-in resources and supports for these groups as well.

Leadership Edition Keeps Leaders in the Know

School and district leader have access to their own edition of *Summer Intensive*, which makes it easy for them to monitor usage and performance, so they can support teachers and drive learning growth.

Home Edition Makes Learning a Family Affair

Studies have shown family support can have a powerful effect on student success. Available in English and Spanish, this special edition is designed to keep families involved in their children's learning.

Accelerate Learning Growth and Close Gaps with *Summer Intensive*

Whether your students are struggling with foundational literacy, trying to strengthen their reading and writing skills, or building their content knowledge, *Summer Intensive* can help. This powerful program will enable you to accelerate literary growth, overcome learning losses due to the pandemic, and ensure that all your students start the 2021-22 school year prepared for grade-level work.

Achieve3000 Literacy Summer Activity Challenge

Do your students need extra motivation this summer? If so, you're in luck, because any student who participates in *Summer Intensive* is also eligible for our Summer Activity Challenge. This national contest offers exciting weekly prizes, and six grand prize winners will receive an iPad.
